The Alexandria Kiwanis sponsored 2020 Madison County Fair has unfortunately been canceled, due to coronavirus pandemic. The annual event was scheduled to take place this upcoming July 19th-25th.

Special Announcement from the Alexandria Kiwanis Club:

Since the Coronavirus all started earlier this year, the hope has been that there would be ample time for the virus to pass and we would be able to safely operate our 2020 Madison County Fair in Alexandria, Indiana. As you can imagine, we have great pride in knowing that our fair has operated through many adversities and hoped the present day situation would pass and we could continue the tradition.

At this time of year, the Kiwanis Fair Board and Members would typically be well into fundraising, hiring entertainment, finalizing contracts, and making decisions about the fair programs. However, as you can imagine, during the public health pandemic, when our entire community is under such an intense strain and due to the very high level of uncertainty about the next couple of months, it is unfortunately not feasible to request or make such commitments.

Again, while we have been hopeful that we would be able to move forward with the 2020 Madison County Fair, based on the information and requirements we have received from the Department of Health, the Office of the Indiana Governor and the National CDC guidelines regarding the COVID-19, our Fair Board and Kiwanis Members have decided we have no other possible option but to make the difficult decision to cancel the 2020 Fair. This was indeed a difficult decision that was made in the best interest of the community. It was one not taken lightly nor made quickly, however made to ensure the health and safety of our attendees, volunteers, exhibitors, vendors, sponsors, attractions and staff.

As disappointing as it is at this time, we are looking forward to the a better 2021 and bringing our county fair to everyone safely with all the activities, educational offerings, fun, food, displays and entertainment that we have been known for over the years. As always, the Alexandria Kiwanis Club has been proud sponsors of financially and logistically bringing our local fair to what has been and is since 1929. We thank you all for your understanding during this difficult time and hope all finds themselves safe and healthy. Hope to see everyone in 2021.
