Alexandria Kiwanis is a 501(c3)

Thank you for your sponsorship. Larry Maynard was a lifelong resident of Alexandria, IN and was a "car guy." He set up at the James Dean Festival in Fairmount every year for 36 consecutive years beginning in year #1 of the event in 1979. He was also a vendor at the Kiwanis Madison County 4H Fair selling various hot wheels cars and hot rod items. He loved his hometown and working with his hands. He was a paint and body guy and restored many cars. In winter, he enjoyed being Santa Claus and helping neighbors and strangers anonymously. He greatly enjoyed car shows and this show is in his memory. Larry passed away on Thursday, January 7, 2016.
