Now in its 9th year, the Larry Maynard Memorial Car & Bike Show is an event put on by Larry's daughter, Lori Maynard. What began as less than 10 cars in the Bob Roger's parking lot in downtown Alexandria has grown to a couple hundred cars in Beulah Park during the Kiwanis Madison County 4H Fair. Your sponsorship helps to organize this car show and benefits the Alexandria Kiwanis. This is a free to enter car show for anyone who wishes to show their vehicle. All donations are welcome and go directly to the Alexandria Kiwanis and will benefit local youth.
